

College Admission Series

Free seminars for students and parents

Offered by Collegewise™

Collegewise, the premier college admission counseling company in Southern California, invites your family to a FREE College Admission Seminar Series. Attend one, two, or all three!

“Secrets of College Admission”

Monday, July 27th 2009, 7 p.m. – 8:30 p.m.

No matter where you want to go to college—USC, UCLA, or a small private school that could never beat either of those two at football—there are *always* things you can do to improve your chances of admission. Join us to learn what steps you can take to be a stronger college applicant, and find out how to avoid the most common application mistakes.

“The College Essay”

Monday, August 24th 2009, 7 p.m. – 8:30 p.m.

A lot of great kids write average (even bad) college essays—essays about “life lessons learned from football,” “how my trip to Europe broadened my cultural horizons” or an unfortunate standby—the pet eulogy. Better tales are there for the writing. This seminar will show you what admission counselors really look for in great college essays, and offer suggestions for finding and sharing your best stories.

“Making College Admissions Personal”

Saturday, September 19th 2009, 2 p.m. – 3:30 p.m.

You’re more than just your grades and test scores. But how can you make sure that you stand out above the stacks of applications? This seminar will reveal you how you can inject your personality into the college application process and use interviews, letters of recommendation, and even campus visits to show colleges the real you.

All seminars will be held at:

1964 Westwood Blvd.

Suite 150

Los Angeles, CA 90025

Directions will be provided upon registration

Seating in each seminar is limited to the first 30 families!
