Optional Feedback Sheet to leave for a Substitute Teacher

Behavior Feedback for Substitute Teachers

- I want your day to be enjoyable while you are in my classroom. Please remember to use Make Your Day to help students try to self-correct their behavior through reflecting on their choices and consequences.
- In addition, if a student is particularly disruptive or disrespectful, please use the following chart to report the student and the action(s) that will require further action from me.
- • When I return the student will face the consequence of STEP ONE for the entire period and I will determine what further action needs to be taken.

Teacher: _____ Date: _____ Period: _____

Student Name	Behavior / Comments	Follow Up Notes
