The Honorable Dina Titus
Dina Titus for Congress
P.O. Box 50614
Henderson, NV 89016

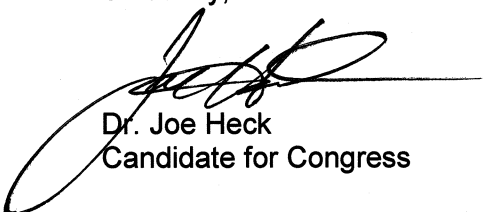

Dear Congresswoman Titus,

This November, voters of Nevada's 3rd Congressional District will be given the opportunity to choose which of us they would like to serve as their Representative in the United States House of Representatives. As we both know, this is a critical election for this constituency and the future of our state. I feel it's important to have an open, ongoing dialogue to ensure that concerned citizens are given every opportunity to make an informed decision.

While we have both been reaching out to the electorate individually, I believe it is also important for the public to be given the opportunity to evaluate and consider our candidacies side by side. And so, I invite you to engage in five formal, public debates on specific policy topics agreed upon by both parties. Each debate will focus on one specific topic of importance to southern Nevada, mutually agreed to by both of our campaigns. I feel it is our duty to give the residents of southern Nevada a clear view of our platforms on these pressing issues, that effect Nevada's 3rd Congressional District.

I know that we both agree this election is of great importance for the future of our state. I look forward to your response to this invitation and the chance to join you in speaking to the voters of southern Nevada. Please have your staff contact my campaign manager, Grant Hewitt, at their earliest convenience to begin preparations for these events.

Sincerely,

Dr. Joe Heck
Candidate for Congress
