Grand Opening of the Plasterers' Training Facility

The OPCMIA Local 72 is proud to announce the grand opening of the Plasterer's Training Center and would like to extend an invitation for everyone to tour the facility.

The OPCMIA is pleased to welcome **Terry Kastner**, Technical Consultant from the **Northwest Wall and Ceiling Bureau**. Terry will be providing us with three presentations. The first will cover the **Basics of Stucco**.

- Components of the System
- The Importance of the WRB
- Flashing Installation
- Pre-Blended Stucco
- The New Energy Code & Stucco

Terry will also discuss the pros and cons of a **LEED AP Accreditation** for the specialty contractor.

- What are the Costs?
- Is it required on LEED projects?
- The General Contractors view.

This year's **Annual Convention and Project Awards** will be taking place in Tucson, Arizona. Terry will provide a slide show on the J.W. Marriott Starr Pass Resort, discuss the many things to see and do at the convention and give an overview of the seminars that the NWCB will be providing.

Don't miss this opportunity to tour the new OPCMIA Training Facility and to meet and hear from Terry Kastner of the Northwest Wall and Ceiling Bureau!

**Thursday
March 18, 2010**

From 11:00 a.m. to 1:30 p.m.
Complimentary lunch will be provided at 11:00 a.m.
