

## Safety Training Schedule

Fortier provides a variety of safety training. Listed below are the safety trainings scheduled through the end of 2012. Reservation is required for all classes. Space is limited so please reserve early.

**Location:** Fortier Loss Control Consultants, Inc.  
 2267 Jackson Downs Blvd.  
 Nashville, TN 37214  
 Ph 615-883-2816, Fax 615-885-1754, [www.FortierSafety.com](http://www.FortierSafety.com)

To reserve a seat, please contact Kelsey Unland.  
[Kelsey@fortiersafety.com](mailto:Kelsey@fortiersafety.com) or call 615-883-2816.

Due to the costs involved in this training, a 48-hour notice is needed to cancel without charge to your company if you have already committed to attend. Fortier Loss Control Consultants reserves the right to cancel the class in the event of low participation.

| Dec 7            | 1 PM – 3 PM          | TN Drug-Free Supervisor Training | \$50  |

**1<sup>st</sup> Aid/CPR Training:** Topics include 1<sup>st</sup> Aid Care, CPR, AED, and Bloodborne Pathogens. 2 year certification is received.

**TN Drug-Free Supervisor Training:** This training meets the requirement set by the Tennessee Drug Free Workplace Program (0800-2-12.13 Substance Abuse Education/Awareness). Topics include requirements of the program, the most common drugs of abuse, the testing process, and reasonable suspicion testing.

**10-Hour OSHA Training:** This training is an entry-level course for supervisors and employees. The training will prepare students on how to handle an OSHA audit should it occur. Also, contractors look fondly upon companies with 10-Hour OSHA certified personnel which creates an advantage in bidding for new jobs. The required topics for the 10-Hour OSHA course include: Introduction to OSHA, Electrical, and Fall Protection. Other topics are chosen depending upon trainer's choice and relevancy to attendees' type of construction work. The class will be customized to best benefit all students.

**30-Hour OSHA Training:** This course covers thirty (30) hours of training, required by OSHA, that apply toward the 30-hour Construction Industry course completion card. The course is comprised of 25 sections, each either one or two hours in length, and covers topics pertaining to Regulations covered by Standard 29 CFR 1926. The successful completion of this course will help meet the Construction Industry standards established by OSHA.

Please send the following information and/or registration form to [Kelsey@fortiersafety.com](mailto:Kelsey@fortiersafety.com) or fax to 615-885-1754.
